

SUMMER WORK

Program for youth

Youth Summer Work Program

The Independent Living Center is recruiting students for a summer work program. Ages 14-21 and enrolled in high school or post secondary education. We would like to give students the opportunity to gain valuable experience and skills, and earn wages! We will work with you or your student on individual community placements for the best work experience.

Please contact **Maggie Winston** at the Independent Living Center for details and to apply.
